B.E.A.R.

Saturday November 4, 2017 (rain or shine)
10:00 am to 2:00 pm
Peace Valley Park - Doylestown, Pa
Sailors Point (use entrance off Callowhill &
New Galena Road)

Please join us for EDA's first ever charity dog walk!! All money raised will be donated to B.E.A.R. EDA's furry mascot, Zoey, was adopted through this wonderful organization. Zoey had been found running through the streets of Trenton, having been hit by a car. JoAnn Dimon and family took her in, had much needed surgery done to re-groove her knee, and then lovingly nursed her back to health prior to our adoption of her. This is just one of hundreds of stories demonstrating the love and empathy her family feel for each dog they encounter. Wherever needed, they go above and beyond to nurse these creatures back to health. Once the dogs are no longer ailing, her team works with them tirelessly, teaching those that have been broken how to trust again, so that they may find their forever homes. JoAnn's passion and dedication to these animals in need truly inspires me, thus spawning the walk.

It takes a lot of funding to coordinate transportation to the shelter, provide medical attention, feed, medicate, groom, train, and spay and neuter these stray and abandoned dogs. Too many people buy these adorable little puppies not ready for the actual responsibility of raising and caring for the full grown versions, leading to overpopulation in shelters and rescues like this one. Please help this magnificent non-profit continue their heartwarming work by donating or perhaps even saving a life!!

E-mail ldunwoody@edacontractors.com or lbark@edacontractors.com to request a sponsor sheet. Bring your pet, a friend's, or just come solo! Even if you can't attend, kindly find it in your heart to give to this worthy cause. If you would like to donate online you can visit www.paypal.com/fundraiser/charity/1575853.
